Invitation to the Ius Commune Masterclass – 30 June & 1 July 2011 – Amsterdam

Dear Ius Commune PhD Researchers,

On Thursday 30 June and Friday 1 July 2011, you will be given the opportunity to present and discuss the methodological framework of your PhD thesis and related methodological issues or problems, which you have encountered during your research.

The feedback in this session will be given by experts in your field and fellow PhD researchers.

In preparation of the Masterclass you will be asked to send in a 5 to 10 page paper, the highlights of which you may present during a 10 minute presentation during the Masterclass. After this presentation, there will be time for 35 minutes of discussion.

This Masterclass is aimed at PhD researchers in the first and second year of their research. Participation in this Masterclass is free for all Ius Commune researchers and a mandatory part of your Ius Commune training.

If you want to use this opportunity to receive quality feedback on your research, please confirm your participation by returning the attached attendance form to D.B.Nederlof@uva.nl, no later than **April 21, 2011**.

The deadline for the paper will be **May 27, 2011** in order to ensure timely distribution to the experts.

Further information regarding the location, hotel reservations and details regarding the program will be sent to the participants closer to the time.

Kind regards,

David Nederlof
